

Kia ora parents/guardians at Elim Christian College - Mt Albert Campus,

Our mobile dental van is coming to the school soon! Dental care is free for NZ residents under 18 years old and we provide public-funded dental care on-site at many high schools in Auckland, Northland and Waikato. Working in partnership with Te Whatu Ora, our aim is to improve the number of high school students accessing quality dental care.

This is your opportunity to enrol your adolescent with us for their **free dental care**. We will see students from **years 9 to 13 (under 18 years old)** for their free dental check-up and treatment.

If your adolescent is currently enrolled with a dental provider, please let us know. Just click the link below and choose the “No” option if you’re happy to stay with
