

Wednesday 7th August 2024

Dear parents and caregivers,

Year 9 Invictus Revolving Bonfire Night

As part of Elim Mt Alberts wellbeing initiatives we are using the Invictus Wellbeing Programme. This is a programme that involves in class teaching around four modules over Years 9 and 10. At the end of each of these modules we host a memory event that acts as a tangible experience to conclude the learning from the module. The first module we have completed is the Network module, which focuses on encouraging and equipping students to connect with their peers. The memory event for this module is called the revolving bonfire night, and will involve students making connections within their Whanau groups.

The details are as follows:

Venue: School
Dates: Friday 30th August 2024
Times: 4:00-6:00 pm
