Today we celebrate our school's cultural diversity and community with our annual Cultural Fiesta. This concludes a vibrant term that has been filled with learning, extra curricular opportunities and celebrations of various cultures from around the world. Today we come together to embrace our differences, share our traditions and celebrate what makes us unique as individuals, while also recognising our shared faith. This afternoon there will be dance performances, delicious food and vibrant art displays. This event is a beautiful reflection of the diversity within our school community. Let this day be a reminder of the richness that our cultures bring to our lives and how we can continue to foster a more inclusive, understanding and respectful environment for everyone.

Our special thanks to everyone who has contributed to the success of the event

- Mrs Jo Robertson and Mrs Amanda Abrahams who have put tireless hours into preparing for the event.
- Our parent teams who have supported dance practices, sewn costumes and cooked the delicious food for tonight.
- All the teachers who have organised dance groups and supported students with their many rehearsals.
- The Cultural Lead students and groups leaders who have supported the teachers and their groups.
- All of our students performing tonight, well done on the hard mahi, pukuahuwhenua and maia!

So, tonight we celebrate with joy and unity, as we honor the many cultures that make our community so special. Enjoy the festivities and may we continue to learn, grow, and celebrate diversity.

Next week we have our term break and during this time we celebrate both Easter and ANZAC Day. Easter is a significant occasion to remember the resurrection of Jesus Christ and the hope and new life He brings to all believers. It's a time to reflect on God's love, grace and the promise of eternal life through Christ.

On April 25th, our Student Leaders will represent our school at the ANZAC Day remembrance at the Mount Albert War Memorial Hall and Cenotaph. All families are welcome to join us on this important day for New Zealand, commemorating the landing of Australian and New Zealand troops at Gallipoli in 1915. It also serves as a national day of remembrance for all New Zealanders who have served and died in wars, conflicts, and peacekeeping operations.

We pray you have a restful break, enjoying time with family and celebrating the joy of Easter.

MOANA PASIFIKA

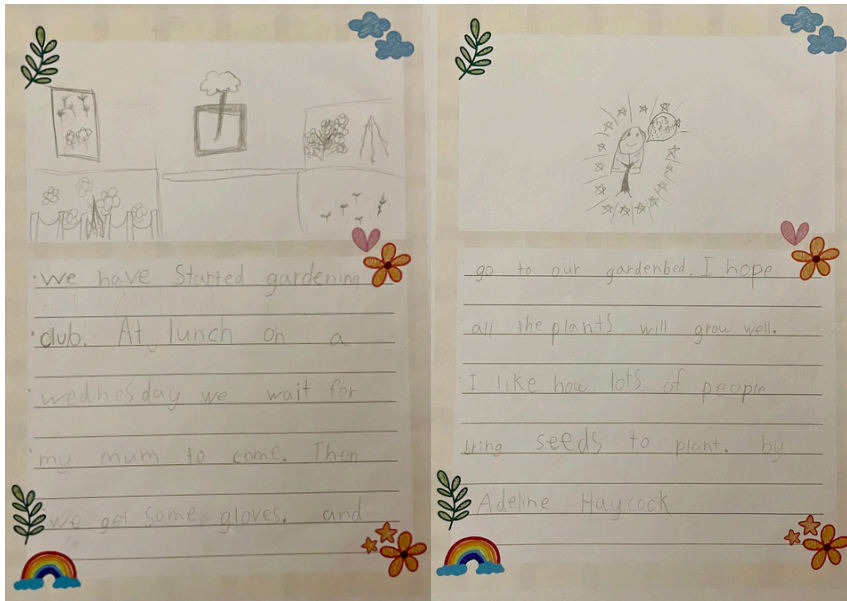

Alisha David, Year 12, Whānau leader

On Thursday 27th April, Years 1-13 had the privilege of having Moana Pasifika come to visit our school. Famous former **All Black**, Sir Michael Jones also spoke to us and introduced the Moana Pasifika players and talked about the team. We then got to hear some insights from three of the players as they were interviewed by some of the whānau leaders. The assembly closed with students getting autographs and photographs from the team. Special thanks to parent of the school Mr Joe Faaiu for organising this memorable experience for our students.

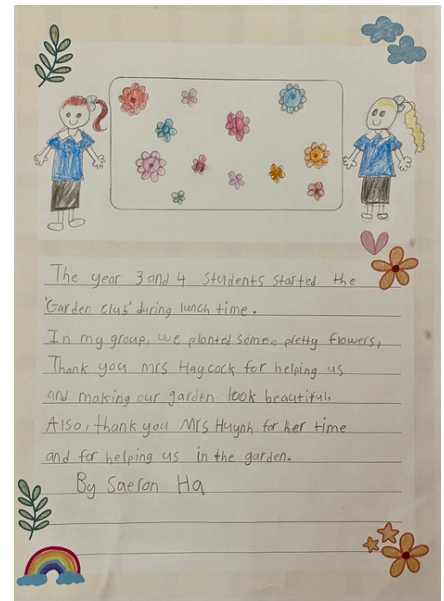

You can find more photos [here](#). A special thanks to Tudor Prelipceanu and Vanis Apiratsangsri for the photos.

YEAR 3 AND 4 GARDENING CLUB

We have started gardening club. At lunch on a Wednesday we wait for my mum to come. Then we get some gloves and go to our gardenbed. I hope all the plants will grow well. I like how lots of people bring seeds to plant.

By Adeline Haycock, Year 3

The year 3 and 4 students started the 'Gaden Club' during lunch time. In my group, we planted some pretty flowers. Thank you Mrs Haycock for helping us and making our garden look beautiful. Also, thank you Mrs Huynh for her time and for helping us in the garden.

MITEY: MENTAL HEALTH EDUCATION

Miss Jessica Kidd

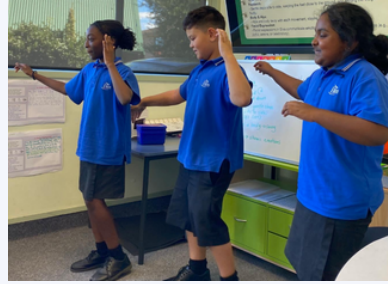

Lorraine from Mitey, the Sir John Kirwan Mental Health Foundation, came and modelled Lesson 1.4 on Being Brave. The session provided our new kaiako with an opportunity to learn about the teaching conventions involved in Mental Health Education and how to follow a Mitey learning sequence. Our Year 5 and 6 students discussed concepts such as what it means to be brave, how to show courage and what this looks like in practical ways.

TERM 1 HIGHLIGHTS IN ROOM 9

Mrs Jordana Ryu

In The Arts, Room 9 ākonga explored the cultures and music of Latin America and Samoa through dance. We learned that dance can benefit us as a form of expression, exercise, entertainment and identity!

The House of Science has brought us truly engaging experiments this term! In Week 7, Room 9 students made salt water batteries to power an electric buzzer. We learned that the salt helps conduct electrical energy.

Aquatic Education is the highlight of each week. Ākonga have gained much confidence in the water. We are able to execute a variety of aquatic survival skills such as floating, rotating and recovering from an accidental fall.

YEAR 7 AND 8 CAMP HIGHLIGHTS ASSEMBLY

The Intermediate Teachers

The Year 7-8 ākonga celebrated the success of camp by sharing photos, testimonies, worship, awards and prizes during a special assembly. Thank you to all the families who joined us in the celebration. Below are a few photos from the gathering. A link to all of the camp photos can be found [here](#).

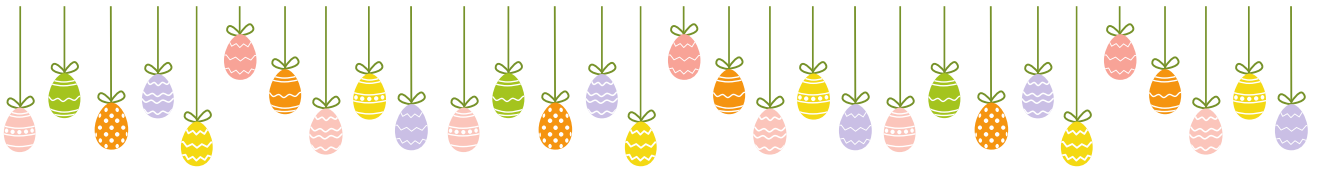

HARD TECHNOLOGY

Peter McDonough

Year 10 students are currently learning about working with the material, pewter and making jewellery. They are designing their own pendant, putting them on chains and have a jewellery box to keep it stored. The two photos show students at work shaping their pieces and Katelyn's finished heart pendant.
