This term our Biblical theme is **God wants us to celebrate life**. Students will learn the story of Abraham - how God called Abram into a new life with Him (Genesis 12–18). They will develop an understanding that God calls us from one way of life to another, just as He called Abram into a new country and culture. This will be explored through learning about diverse cultures and identities within our community, including opportunities to connect with and show aroha to our local elderly village. Students will also contribute to community service by helping to pick up rubbish around the school.

**Elim Exploration:** Diversity

## Revelation 7:9

After this I looked and there before me was a great multitude of people that no-one could count, from every nation, tribe, people and language standing before the throne and in front of the Lamb.

**Key Knowledge:** God wants us to celebrate life through our diverse cultures.

**Enduring Understanding:** God wants us to celebrate life through the ups and downs.

**Key Question:** How can I celebrate life and help others do the same?

- **Social Studies:** Community service
- **Literacy Focus:** Writing to Entertain
- **Numeracy Focus:** Number operations
- **Strand Maths:** Statistics and Probability
- **Kotahitanga Value:** Aroha- Kindness
- **Scripture:** A new life with God. Genesis 12-18.

**HOME LEARNING:** Guidelines for home learning are pasted in the front of student's home learning books, or can be accessed via Class Dojo. Please take time to read these guidelines.

**MEDICAL / CHANGE OF ADDRESS:** Please send any changes in details, such as medical information, address or phone numbers to [office@elimmtalbert.school.nz](mailto:office@elimmtalbert.school.nz).

**COMMUNICATION:** Please refer to [our school website](#) where you can check email communications and our school Google calendar. If you are not receiving email notifications, please contact the office [office@elimmtalbert.school.nz](mailto:office@elimmtalbert.school.nz). School newsletters are emailed fortnightly on Tuesday.

**ATTENDANCE:** The Ministry of Education has specific requirements for student attendance. They have set a target for students to attend school for 90% of the time every term. Therefore, holidays during term-time are strongly discouraged. There will naturally be times when it is appropriate for tamariki to stay home and recover from illness. However, minor symptoms do not always require time away from school. Below is a link to information that will help you decide when it is okay to send your child to school, when you should keep your child at home, and when you should contact a health professional for advice: [Knowing if your child is well enough to go to school – Ministry of Education](#). If your child will be absent from school, please complete the [absence form](#) on the school website.

**DIGITAL LEARNING PLATFORM:** ClassDojo is used to communicate notices with parents. More formal information will be sent through emails. Login information will be sent with home learning guidelines. Please ensure you have the ClassDojo notifications turned on. The students will also use ClassDojo to showcase their learning.

**KOTAHITANGA:** Elim is a PB4L school (Positive Behaviour for Learning). Our classroom management systems are based on Elim Christian College Mount Albert values and uphold the special character of our school. We use a tino pai (traffic light system) to reward students based on the Kotahitanga values. The focus in Term 2 is Aroha (love & kindness) so students will be learning what kindness looks like in various school settings. All students start on a green light at the beginning of the day and have the potential to move to the purple 'tino pai' light for outstanding behaviour. Any student not adhering to classroom expectations will receive an orange light warning (a chance to change their behaviour). If the behaviour continues, an orange light is given. If the behaviour continues, a red light warning, and then red light would be given. When a red light is acquired, or patterns of concerning behaviour are observed, parents will be contacted.

**UNIFORM:** During Term 2, students can transition to winter uniform. Refer to the [school website](#) for requirements or the Elim uniform [handbook](#) page. Please ensure that all items are **clearly named**. Hats are optional in Term 2 and 3.

**STUDENT HANDBOOK:** This can be located on our website for easy reference: [Student Handbook](#)

**WASTE MANAGEMENT AND MINIMISATION:** All students are required to take their morning-tea and lunch wrappers, uneaten food, etc. home with them. They cannot dispose of it at school. Our recycling bins have little provision for landfill items and food scraps. We would still like to strongly encourage all our parents to pack lunches in reusable containers and to buy in bulk.

**BIRTHDAYS:** We ask that you do not bring any food items to school to share with the class on your child’s birthday. This includes lollies, chocolates, cupcakes, cake, etc. There may be students with allergies in the class and we want to encourage healthy eating choices.

**AFTER SCHOOL CARE:** Kowhai Kids Club provides after-school care off-site. Students are collected from school and taken to another school for after school care. More information about this service can be accessed via their website - [Kowhai Kids Club](#).

**PARENT HELP:** The school operates on the Ministry of Education’s best practice. We have class trips and activities planned for this year. These cannot go ahead if the adult to child ratio is not met. All volunteers are required to hold a current police clearance. This clearance needs to be with Elim Christian College Mount Albert. If you are unsure of your current police vetting status, please check with our admin staff. If you are not police-vetted via our school as yet, please note that this takes a few weeks to process.

We have an open-door policy. Teachers are in staff devotions until 8:30 am. They are available in their classroom to answer questions and to chat about minor issues from 8:30 am – 8:40 am and again after school. Alternatively, if you would like the time to talk further, please make an appointment with the teacher. They will be more than happy to discuss the matter with you.
