

Thursday 4th April

Dear Parents/Caregivers of Y9 students,

Year 9 students will be attending Science Roadshow held at Edendale Primary School on the 10th of April. This is a great opportunity for students as they'll be able to experience hands-on exhibits and two exciting shows.

**When:** Wednesday 10th April - leaving school at 11:20am and returning at 3:10pm

**Where:** Edendale Primary School

**Cost:** \$11 per student

Students will be walking to and from the venue. We will be walking through a park where we will observe some native plants as well. They will need to bring their own lunch as they will not be allowed to purchase any food from any shops.

Students must be in full, correct uniform. They must wear **closed-toe shoes** for safety. Suitable walking shoes / trainers are allowed to be worn on this day

As this trip does not involve any transportation, this will be covered by the blanket consent form that you've filled in at the beginning of the year. If you have not done this yet, please do so using the link below. If this consent form is not completed, we will not be able to take your child on this trip.

If you have any questions, please feel free to email your science teacher, or myself.
