Dear parents and caregivers,

- Students are to sign in with their tutorial teacher on arrival, if heading to the BP and when they leave.
- If your child will only be attending part of a tutorial, please contact the subject teacher directly, so they know when your child will be on/off site. Otherwise, they will be expected for the entirety of the session.
- Students are to wear civvies but clothing should be smart casual and align with our school rules.
- Y12s and Y13s may go to the BP during a break to buy lunch/morning tea.
- Please sign up using the Google Form: [School Holiday Tutorials](#)
- To contact a teacher, please email them using Firstname.Lastname@elimmtalbert.school.nz

Kind regards,
